

February 23, 2017  
Caen, France

**To whom it may concern**

Dear Madam/Sir,

This is a formal invitation to Dr. Xiaoxin CHEN (Jilin University, Changchun) to take part in the 6<sup>th</sup> LCS workshop "Zeolites: Prospects and Challenges". Dr. Chen is invited to present her work entitled "Preparation of hierarchical SAPO-34 by fluoride medium treatment".

The workshop will take place in the period April 26-28, 2017 in Cabourg, France.

After the workshop (April 29-May 03, 2017) Dr. Chen is invited to visit the Laboratory of Catalysis and Spectrochemistry (UMR 6506 CNRS) and to deliver a lecture devoted to the post-synthesis method of modification of SAPO-type materials.

Please do not hesitate to contact me if you need further information.

Sincerely,

Dr. Valentin Valtchev

Organizer of 6<sup>th</sup> LCS workshop "Zeolites: Prospects and Challenges"

Directeur de Recherche CNRS
